product simulated solution, min/max memory. F/C switchable, field installable, and visual & audible temp alarm. Digital temperature display Audible and visual high and low temperature alarms Remote alarm contacts 2 probes; 1 in air and 1 in sample bottle Four adjustable shelves (two large, two small) with guard rail on back to prevent product from being pushed against the back wall Back wall evaporator cover	2.5 Cu. Ft. Capacity One glass swing door, right hinged, not reversible Microprocessor temperature controller Adjustable operating temperature range: 68°F–77°F (20°C – 25°C) Temperature monitor device (TMD) complied with the current CDC	Or Mi Ac Te gu pro ins Di Au Re 2 p Fo Pro Ba Va Fo Ke Ma	5 Cu. Ft. Capacity ne glass swing door, right hinged, not reversible icroprocessor temperature controller djustable operating temperature range: 68°F–77°F (20°C – 25°C) emperature monitor device (TMD) complied with the current CDC uidelines, with 3 years certification of calibration, "buffered" probe in the roduct simulated solution, min/max memory. F/C switchable, field stallable, and visual & audible temp alarm. igital temperature display udible and visual high and low temperature alarms emote alarm contacts probes; 1 in air and 1 in sample bottle our adjustable shelves (two large, two small) with guard rail on back to revent product from being pushed against the back wall ack wall evaporator cover accine storage power cord warning label orced draft circulation eyed door lock agnetic door gasket for positive seal
Forced draft circulation Keyed door lock Magnetic door gasket for positive seal Leveling legs LED interior light Probe access port (3/8") Powder coat exterior High density urethane foam cabinet and door insulation HFC-free refrigerant (R600a), foam insulation and packaging Two year parts and labor warranty, plus an additional three year compressor parts only warranty Pyxis <sup>®</sup> , Omnicell <sup>®</sup> and AcuDose RX <sup>®</sup> compatible	product simulated solution, min/max memory. F/C switchable, field installable, and visual & audible temp alarm. Digital temperature display Audible and visual high and low temperature alarms Remote alarm contacts 2 probes; 1 in air and 1 in sample bottle Four adjustable shelves (two large, two small) with guard rail on back to prevent product from being pushed against the back wall Back wall evaporator cover Vaccine storage power cord warning label Forced draft circulation Keyed door lock Magnetic door gasket for positive seal Leveling legs LED interior light Probe access port (3/8") Powder coat exterior High density urethane foam cabinet and door insulation HFC-free refrigerant (R600a), foam insulation and packaging Two year parts and labor warranty, plus an additional three year compressor parts only warranty	LE Pr Pc Hiu HF Tv co	ED interior light robe access port (3/8") owder coat exterior igh density urethane foam cabinet and door insulation FC-free refrigerant (R600a), foam insulation and packaging wo year parts and labor warranty, plus an additional three year ompressor parts only warranty
